

Electronic interface upgrade kits for VR mechanical registers

Kit 99.5001. VR register without printer (01-08 encoder):

Included in the kit no **99.5001**:

Description	Part number
1 pcs. Mounting bracket	71.1007
2 pcs. Sealing screw M4x8	51.5000
2 pcs. Screw M4x8mm	51.1048
4 pcs. M4 lock washers	52.1540
1 pcs. Mounting instruction Manual	00.6001

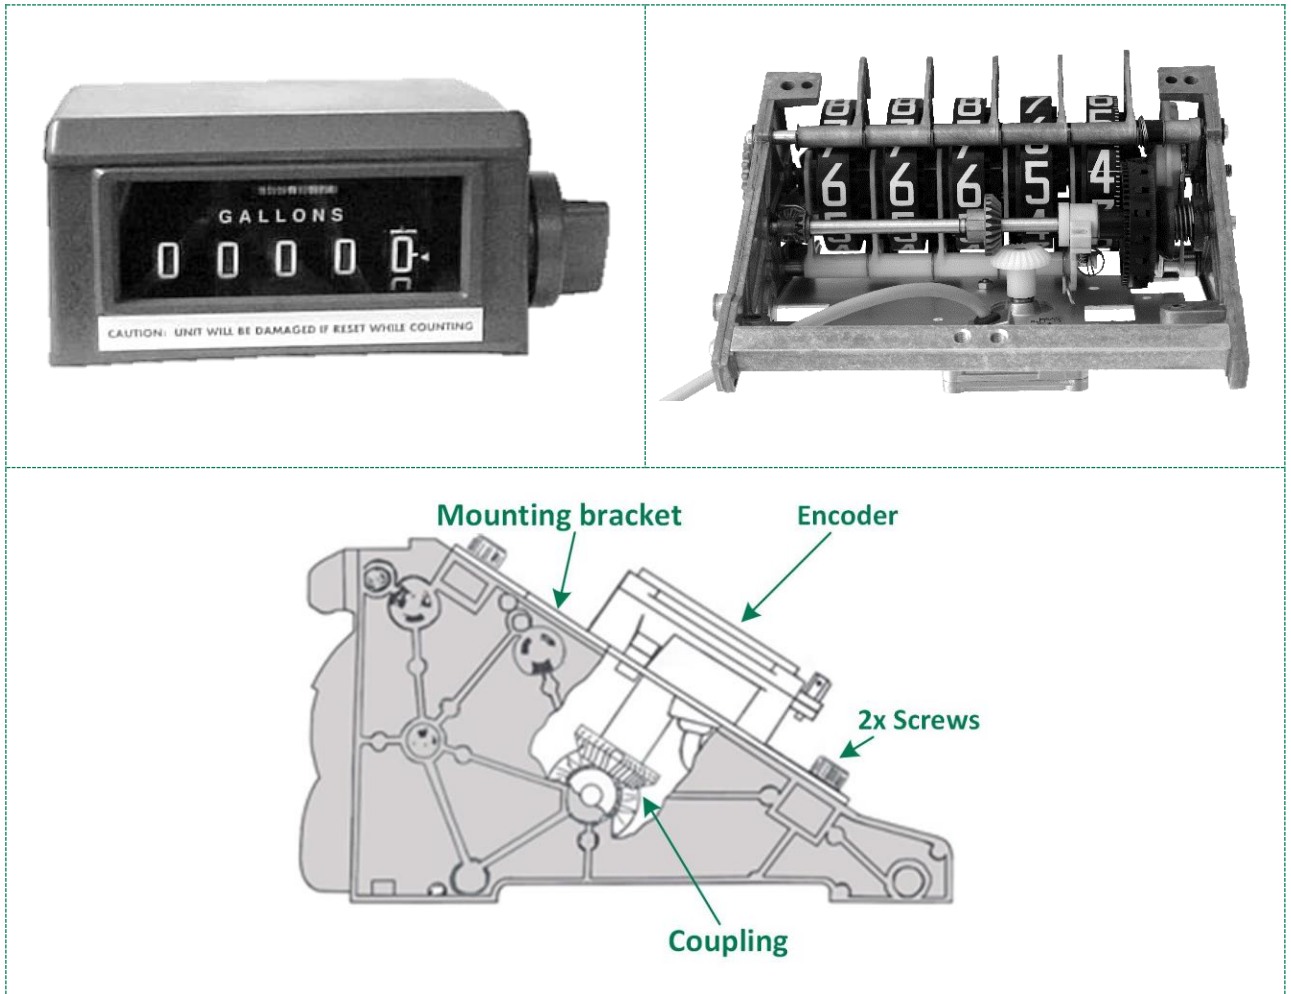

Not included in the kit **99.5001**:

Description	Part number
1 pcs. 01-08 encoder*	98.xxxx
1 pcs. 01-08 coupling**	62.0098
4 pcs. Screws for mounting the mounting bracket into the VR register.	n/a
1 pcs. optional cable gland for the encoder's cable entry into the VR register. On request a Ø5-11mm cable gland can be delivered	59.2512

*If the encoder is ordered together with a kit, it will be factory assembled as one unit.

**The coupling is factory installed in the encoder and is not interchangeable.

Kit 99.5004. VR register without printer (01-09 encoder):

Included in the kit no 99.5004:

Description	Part number
1 pcs. Mounting bracket	71.1007
2 pcs. Screw M4x10	51.1530
2 pcs. M4 bolt	53.0010
4 pcs. M4 lock washers	52.1540
1 pcs. Mounting instruction Manual	00.6001

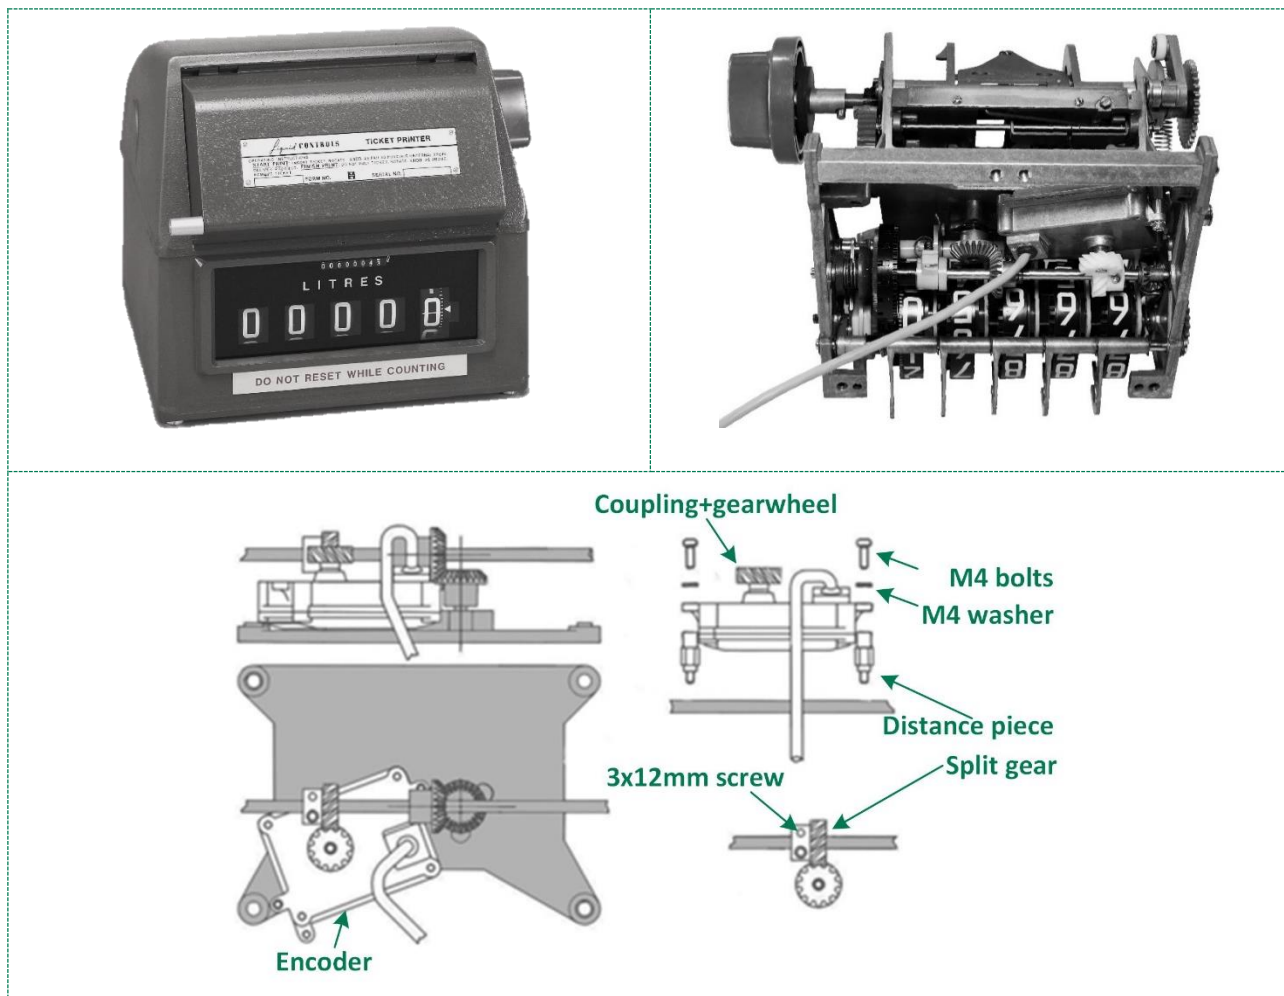

Not included in the kit 99.5004:

Description	Part number
1 pcs. 01-09 encoder*	98.xxxx
1 pcs. 01-09 coupling**	62.0162
4 pcs. Screws for mounting the mounting bracket into the VR register.	n/a
1 pcs. optional cable gland for the encoder's cable entry into the VR register. On request a Ø5-11mm cable gland can be delivered	59.2512

*If the encoder is ordered together with a kit, it will be factory assembled as one unit.

**The coupling is factory installed in the encoder and is not interchangeable.

Kit 99.5002. VR register with printer (01-09 encoder)

Included in the kit **99.5002**:

Description	Part number
2 pcs. M4x10mm bolts	51.1710
2 pcs. M4 lock washers	52.1540
2 pcs. Distance piece	64.0011
1 pcs. Split gear Z24-45° (2 half gears)	61.1013
2 pcs. 3x12mm screws	51.5502
1 pcs. Mounting instruction Manual	00.6001

*The coupling is factory installed in the encoder and is not interchangeable.

Not included in the kit **99.5002**:

Description	Part number
1 pcs. 01-09 encoder*	98.xxxx
1 pcs. 01-09 coupling**	62.0071
4 pcs. Screws for mounting the mounting bracket into the VR register.	n/a
1 pcs. optional cable gland for the encoder's cable entry into the VR register. On request a Ø5-11mm cable gland can be delivered	59.2512

*If the encoder is ordered together with a kit, it will be factory assembled as one unit.

**The coupling is factory installed in the encoder and is not interchangeable.
